acct: a pay

We transform any payment platform
into an accessible one.

The screenshot shows the PaynoPain payment interface. At the top center is the PaynoPain logo. Below it is a payment form with the following fields: 'Titular de la tarjeta *' (with a person icon), 'Número de la tarjeta *' (with a card icon), 'Caducidad (Mes/Año) *' (MM/YY) and 'CVV/CVC *' (111 with an information icon). A checkbox 'Guardar mi tarjeta para futuros pagos' is checked. A red button at the bottom of the form says 'PAGAR €0.01'. Below the form is a small box with the number '2' and the text 'Servicio ofrecido por PaynoPain' and 'Condiciones y política de privacidad.' To the right of the main interface is a grid of 16 icons, each in a red-bordered box with a letter in the top-left corner. The icons include a document, a circle, a magnifying glass, 'dx', a list, 'N', a mouse cursor, a document with a checkmark, and a document with a minus sign. The text 'Pulsa Z para salir' is at the top right of the grid, and the 'acct: a' logo is on the left side.
